

Emergency Procedures

FIRE EMERGENCY: At the recognition of a fire emergency, or upon hearing the fire alarm, evacuate through the nearest exit.

Muster Location. PA State Office Building parking lot across the street from Christ's Church.

WEATHER EMERGENCY: At the recognition of a weather emergency (including tornadic or high wind event), evacuate the Nave to the Undercroft.

Muster Location: Christ's Church Undercroft (Basement Area).

ACTIVE SHOOTER: Exact response will vary with situation.

Priorities:

- **GET OUT:** As quickly as possible, move away from the threat.
- **HIDE OUT:** If evacuation is impossible, hide and barricade yourself and others away from the threat.
- **TAKE OUT:** Last resort—attempt to takeout the threat.

Muster Location: Any place safe from the active threat.
